## Mallorca/Cala Millor -Relax in style on the Mediterranean

Frankfurt am Main, 18.06.2025 [ENA]

Palma de Mallorca continues to be one of the safest and most exclusive island destinations, with its special charm and versatility. Even in 2025, Mallorca enjoys unbroken popularity. Particularly noteworthy is the picturesque town of Cala Millor on the east coast of the island,

with its idyllic atmosphere and impressive landscapes that make for unforgettable moments. Palma de Mallorca offers an ideal destination for families, singles and couples, with a wide selection of hotels to suit a variety of requirements. We particularly recommend the 3-star hotel “La Santa María”, which is located at the entrance to the pedestrian area of Cala Millor, or the Hotel La Santa María-Playa, which is located in a quiet side street. Further information can be found on the official website: [www.hotellasantamaria.com](http://www.hotellasantamaria.com).

An absolutely well-run management, with very friendly and helpful staff, is immediately noticeable in both hotels. The hotel's entertainers are also a well-coordinated team who leave nothing to chance. There is a selection of entertainment options for “big and small”: Water sports, hiking, pony rides, tennis, bingo and much more. Every evening, guests are offered a varied stage program with breathtaking shows, live music, disco, belly dancing and flamenco shows. Authentic Mallorcan products as well as a rich and varied buffet are offered to guests daily in the large dining room.

The main attraction par excellence is the 1.9 kilometer long and 34 meter wide beach, which was awarded the blue flag not so long ago. Fine sand, clean and clear water and all the amenities you would expect from a popular vacation resort make this beach stand out. There is little or no nuisance from hawkers. Mallorcan products can be found in the nearby town of Manacor, which is particularly well known for its pearls. The “Safari Zoo” amusement park with several playgrounds and over 610 animals is also located in Cala Millor. This zoo is an exciting experience for children.

A visit to the capital Palma de Mallorca should definitely be planned during your vacation. The beautiful, lively city has a lot to offer, either for a stroll through the many stores that shine in the medieval alleyways; or an impressive experience for the whole family is a visit to the Palma Aquarium. The aquarium has great indoor and outdoor areas. The highlight are the sharks, such huge specimens are very rare in Europe. The price/performance ratio is just right! You can find more information about this beautiful island here: <https://https://palmaaquarium.com/en> - <https://mallorcatopactivities.com/en/>
